Fit Guide

Unser Fit Code wurde entwickelt, um eine klare und intuitive Orientierung bei der Auswahl der passenden Hosenform zu geben. Für maximale Übersichtlichkeit ist jede unserer Hosenpassformen einem Buchstaben zugeordnet – dieser bildet zugleich den Anfang des Modellnamens. So wird sofort ersichtlich, welche Passform hinter welchem Modell steckt.

Beispiel: A steht für unseren schmal geschnittenen Slim Fit – alle Modelle beginnend mit „A“ (bsp.: Angelika) gehören zu dieser Silhouette.

Our Fit Code is designed to provide clear and intuitive guidance when choosing the perfect trouser fit. To ensure maximum clarity, each of our fits is assigned a letter – this letter also marks the beginning of the model name. This makes it instantly clear which fit corresponds to which model.

Example: A stands for our slim-cut Slim Fit – all models starting with “A” belong to this fit.
