BohemianVi

collection

Per la Primavera/Estate 2026, BohemianVi' presenta una collezione che è un tributo poetico alla bellezza autentica della natura e allo spirito libero di chi la indossa. Linee morbide e fluide, pensate per accompagnare il corpo con leggerezza e libertà, si intrecciano a una selezione di tessuti ricercati — innovativi, materici, in parte naturali — scelti per offrire stile e comfort nel vivere quotidiano. Ogni capo nasce da un dialogo armonioso tra cura estetica e funzionalità, per donne contemporanee che abbracciano uno stile bohochic come espressione autentica di sé. Le texture avvolgenti incontrano tonalità terrose, sfumature botaniche e tocchi di luce, evocando paesaggi incontaminati e atmosfere sospese. Bohémien, ma con lo sguardo rivolto al futuro, la collezione SS26 è un invito a riconnettersi con ciò che ci fa sentire vere: il corpo, lo spirito e l'ambiente che ci circonda.

For Spring/Summer 2026, BohemianVi' presents a poetic tribute to the authentic beauty of nature and the free spirit of the women who wear it. Soft, flowing silhouettes, designed to gently follow the body with lightness and ease, are paired with a selection of refined fabrics — innovative, tactile, and partially natural — chosen to offer both style and everyday comfort.

Each piece emerges from a harmonious dialogue between aesthetic care and functionality, created for contemporary women who embrace bohochic style as a true expression of self. Embracing textures meet earthy tones, botanical shades, and subtle touches of light, evoking unspoiled landscapes and suspended atmospheres.

Bohème at heart, yet forward-looking, the SS26 Collection is an invitation to reconnect with what makes us feel real: our bodies, our spirit, and the world around us.
